ONE DAY EVENT

SATURDAY 3RD AUGUST

Heights Lane Show Field, Eldwick

The One Day Event is a fun introduction to Eventing, with classes to suit all abilities. Dressage tests will be ridden first and the jumping phase will follow. We allow you time to change tack and warm up before calling you to jump. Cross Country fences are to be jumped straight after the Show Jumping – approx. 20 fences will be jumped in total. The scores will be calculated from dressage and jumping penalties – there is no optimum time.
